

Mission

The Club's mission is to promote and to further the enjoyment of large scale model railroading among its members, their families and their guests as well as the public at large.

We accomplish this by sponsoring open houses at the homes of our members, holding "Gandy Dancer" events when we work on members' railroads upon their requests, and attending other railroad-related events.

A usually-monthly newsletter, *PGRS Trackin'* is emailed monthly to each member (physical mail to those without email). Members are encouraged to contribute articles about their railroads, or about other items of general railroad interest – including upcoming events. Ask the Secretary/Treasurer, Jim Redmond Jim.Redmond@Alumni.Duke.edu for a sample copy.

Almost-monthly meetings, usually for a member hosting an 'Open House', are offered whenever it suits the member. Sometimes lunch is served, sometimes light refreshments, at the option of the Host member.

We have approximately seventy members in central and western North and South Carolina

Some members have ponds or other water features included in their railroads.

Many of our members do not have a railroad, but join and belong in order to get ideas and practical information on planning and building a railroad.
